

Dr.Derek Shaw, Honorary Secretary, N.M.R.D.G.,
c/o Varian Associates Ltd., 28, Manor Road, Walton-on-Thames, Surrey.

Dear Member,

The next meeting of the N.M.R.D.G. will be the annual Christmas meeting at the Scientific Societies meeting rooms at 23, Savile Row, nearest tube station is Piccadilly, on **December 16th, 1976** commencing at 10.00 a.m. The programme is as follows:-

10.00 Coffee

10.30 Dynamic NMR and Intrinsic Asymmetry Effects in More Symmetrical Molecules - Dr. E. Anderson, University College, London.

11 .00 Discussion.

11 .05 NMR and Conformational Analysis of some Unusual Amino Acids and Peptides - Dr. W.A. Thomas, Roche Products, Welwyn.

11 .35 Discussion

11 .40 Conformations of Nucleosides and Nucleotides. Dr.D.B. Davies, Birkbeck College, London.

12.10 Discussion

12.30 Lunch.

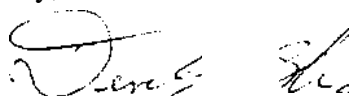

2.00 Two Dimensional J Spectroscopy - Dr. R. Freeman, University of Oxford.

2.45 Contributed papers dealing with Molecular Conformations and Dynamic Processes or Experimental Techniques.

The fee for the meeting is £4.00 including Buffet Lunch, wine, etc. Post graduate students and those not wishing to have the lunch may pay a reduced fee of £3.00. Will those members wishing to attend please send the fee and registration form to Peter Beynon, not later than December 7th, 1976.

Nominations are requested for two committee members, names should be submitted to me not later than December 7th. Anyone interested in participating in a group travel project to the E.E.N.C. meeting in Elsinor should contact me as soon as possible.

Yours sincerely,

Dr. DEREK SHAW

Honorary Secretary. N.M.R.D.G.
